

MYnCoin Compliance & Audit Framework

Purpose

Ensure MYnCoin meets institutional-grade oversight for all phases—mint, burn, deploy, swap, custody.

✦ KYB enforced on entity-based interactions.

✦ Proof-of-reserve attestation every 90 days by external audit partner.

✦ Every liquidity move is signed and counter-signed by MY™ Ops and Governance.

✦ Token listings or migrations must be notarized by at least two executive agents of MY™ or a registered 3rd party.

Standards

Aligned with FATF guidance, and seeks compliance with U.S. FinCEN and EU MiCA where applicable.

MY™ — "It's about You."
